

Indian Lake Borough

Office of the Mayor

May 25, 2017

Indian Lake Property Owners and Residents:

On May 24, 2017, Theresa Weyant, who has served the Borough faithfully and diligently for over 24 years, announced that she was resigning from her position as the Secretary, Treasurer and Manager of the Borough as well as the Secretary of the Indian Lake Service Corporation. Theresa has served the Borough and the Service Corporation during my entire 20-year tenure with the Borough as a member of the Borough Council and Mayor. She has performed flawlessly and has been a true asset to the Borough.

Please join me as well as the members of the Borough Council in extending our sincere thanks to Theresa for her decades of outstanding and dedicated service. We wish her well and will always consider her part of the Indian Lake family.

Based on this development, the Borough Personnel Committee is currently seeking applicants for a full-time Secretary/Office Manager through advertisements that will be placed in the Daily American on Friday May 26th and Wednesday May 31st. In the interim, the Borough's assistant Secretary, Wendy Bellak has begun more intensive training so that she can handle the day-to-day requirements of running the Borough office. Wendy will staff the office four days per week until a new Borough Secretary is hired.

Until a replacement is identified, hired, trained and gets settled in, we ask that you recognize the circumstances when requesting information, boating permits, etc. from the Borough Office. With your cooperation and patience during this transition, we will get through this.

With kind regards,

/s/
Michael D. Miscoe
Mayor
