

Hello Bob,

Here is the "top ten list" that you requested.

1. Wrong form- should be using form # 3150-PM-BWEW0500 Rev. 2/2013
2. No Check submitted
3. No SPGP Cumulative Impacts Form submitted
4. No PNDI or PNDI search request submitted
5. Missing signatures on forms which they are required (Registration, SPGP, PNDI,..etc.)
6. Municipal Notification letter(s) not submitted
7. Project not qualified for general permit (boat slips)
8. Drawings are not detailed enough. Plan (bird's eye view), and cross section (through the middle, showing shore and lake bed) required for GP-2. Plan, Cross section and straight on view (looking in from the lake) required for GP-3.
9. Fee calculation form not submitted.
10. No site photos with GP-3.

Thanks for all that you are doing with the web page. It is helpful to be able to refer residents to it. I've been getting lots of calls from borough residents.
