Old Business: For the next growth needs study an update on sewerage information should be included. The DEP Lake Study report is awaiting further data to be included before it is issued. All indications seem to state our lake is pristine and vibrant.

New Business:

1. The Planning Commissions annual report was signed and turned in by Bob Hanson.
2. Bob Hanson reported on the DEP Planning Approval of SFTF-HT (small flow treating facility - holding tank) for the Pine Cove project. Shade/Central City will process the affluent for a charge per gallon. No discharge permit will be required by the Borough.
3. Additional web site materials posted include Sunshine Law, Ethics, Sewerage, Assessments, DEP Watershed map, and links to other resources.

Public comment: none

Adjournment at 7:30 by Paul Cornez; seconded by Dick Brodt; all ayes

Next scheduled meeting: March 9, 2009
